Environmental Policy

Monitran Limited is committed to leading the industry in minimizing the impact of its activities on the environment.

Our statement of general policy is:

- To minimize waste by evaluating operations and ensuring they are as efficient as possible;
- To minimize toxic emissions through the selection and use of its fleet and the source of its power requirement;
- To actively promote recycling both internally and amongst its customers and suppliers;
- To source and promote a product range to minimize the environmental impact of both production and distribution;
- To meet or exceed all environmental legislation that relates to the Company.
- To review and revise this policy as necessary at regular intervals.
